- Transactions** To complete the transaction, one SMS MT response is required for each MO received. Otherwise there is no billing event and subsequently no revenue share paid by the mobile network.
- Transport Charges** There are no additional transport charges. What you see above is what you get.
- Required Messages** In the event a carrier requires certain messages, such as Help, Info, or Contact to be charged at zero or low rate, the Zong platform will enforce this rate. Such messages are not eligible for outpayment.
- End-User Rates** Please contact us if you require information on rates not listed.
